# Portable Restoration Dehumidifier (Private Labeled)

Our custom Portable Restoration Series Dehumidifier can be custom designed specifically for your company's needs.

Our equipment is designed and built to withstand all nature has to offer. Whether it's sunny or raining, IAT's portable dehumidifiers will exceed your expectations.

We offer a number of different options to cater to you. Some of them are:

- Custom lighted Logo's
- Lockable storage for power cords or ducting
- Remote data acquisition systems
- Integrated cooling for maximum drying
- Ladder options
- Inlet covers for transportation.
- Private Labeling

Call us today to discuss what we can offer for your restoration needs.
